

Monthly Organizing Special

Mother's Day is just around the corner and it's time to celebrate. Why? Because if it weren't for your mom, you wouldn't be here. Without mom, a lot of other things probably wouldn't happen either- housekeeping, watching the kids, menu planning, cooking, grocery shopping, laundry and taxi driving to name a few. We often fail to recognize all that mom does as CEO of the home. And, as CEO of the home, it's more important than ever that mom runs the home efficiently and effectively. That's why Perfectly Placed is offering a 25% off discount to all moms during the month of May. Still unsure if efficiency as a mom is worth it? Check out the link below to see how much a Mom's job is worth.

That's not all. We've got more exciting mom news for all the moms! There is a new show called Mom Time which will begin airing July 6 on AZ-TV (channel 7/Cable 13). Mom Time will consist of Valley moms discussing "Mom-related" topics including pregnancy, childcare and personal experiences of motherhood. Perfectly Placed is proud to be a part of this show as the expert organizer and one of the rotating moms. The show will be airing locally for now with hopes of it getting syndicated in the near future. For more info about the show, visit www.momtimetv.com

Happy Mother's Day to all of you hard working moms out there!

Sincerely,

Susan Stewart
